of client needs.

Wojciech Országh

attorney-at-law | court mediator

I am an attorney at law and a court mediator specializing in litigation and debt collection. As part of my professional practice, I provide legal advisory services to individuals and entrepreneurs in the areas of civil and medical law, as well as commercial and business law.

I offer clear and factual legal assistance based on empathy and trust, providing professional advice in areas such as:

- 1. Civil law** (damages, protection of personal rights, claims for payment, debt collection, contract and liability law);
- 2. Medical law** (medical malpractice, protection of medical personnel rights, patient rights, medical documentation, ongoing support for medical facilities);
- 3. Corporate and commercial law** (corporate disputes, commercial contracts, compliance, protection of trade secrets, ongoing legal services).

My role consists of providing legal advisory services, ongoing legal support to businesses and individuals, analyzing and drafting contracts, as well as representing clients before courts, government agencies, law enforcement authorities, and judicial enforcement authorities.

About me

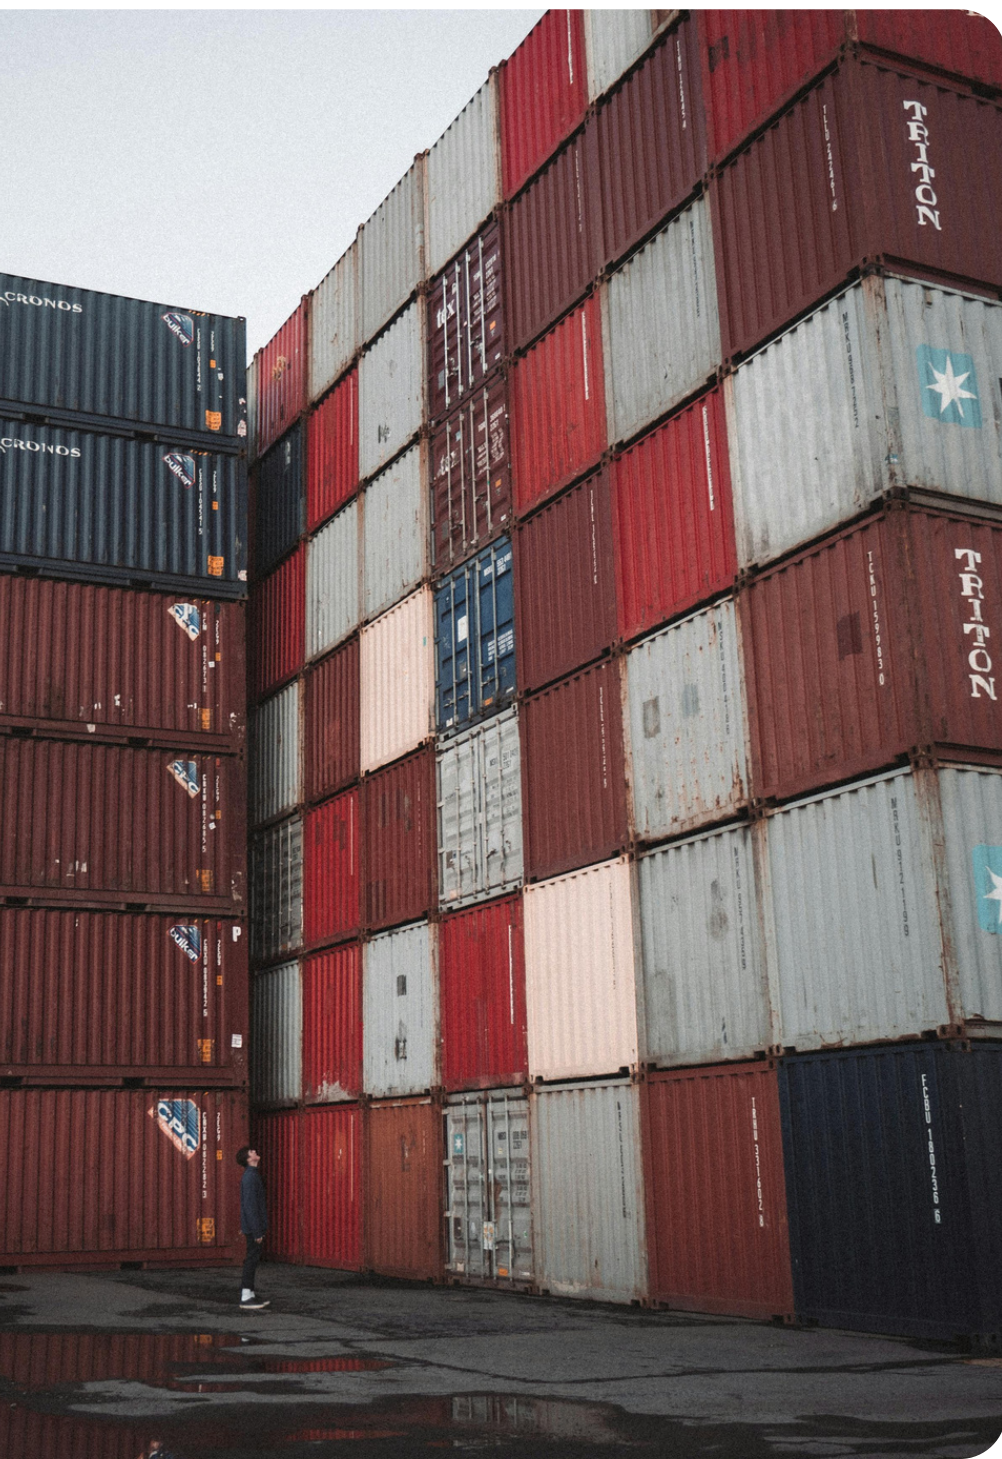

As part of my practice, I provide comprehensive support in the day-to-day operations of a company.

The services provided cover, in particular, the following areas:

- Day-to-day legal advisory and corporate services.
- Litigation and debt collection.
- Protection of trade secrets.
- Contract and obligation law.
- Compliance.
- Training and courses.

Scope of services

I know how important it is to understand the specifics of a client's business and their operational environment. That is why I offer support tailored to the needs of clients operating in the following sectors:

- TSL – Transport, Spedition and Logistics.
- Trade and e-commerce.
- Healthcare and medical services.
- Professional services and freelancing.
- Media and entertainment.
- Fitness and fashion.

Supported sectors

For the convenience of my clients, I offer the option of purchasing a subscription for ongoing legal assistance.

The subscription covers legal assistance provided electronically exclusively in matters related to the Client's current business activities, by responding to their legal inquiries, drafting contracts, and reviewing and analyzing legal documents, excluding litigation services.

*The rates shown are net amounts.

Subscriptions for services

In addition to subscription services, I also offer billing based on individual pricing for legal services.

Such assistance may consist in conducting a specific process at the client's premises, conducting litigation, debt collection, analyzing a legal document, or assessing a specific factual situation (issuing a legal opinion).

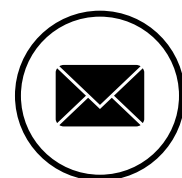

The quotation is provided electronically and is free of charge.
